

# ROUNDUP GEL - READY TO USE - WEEDKILLER - 150ml

## KILLS ROOTS AND ALL

- **Just touch the weed**
- **Sticks to the leaf**
- **Ideal for flower beds, paths and lawns**

ACTIVE CONSTITUENT: 7.2g/L GLYPHOSATE (present as the isopropylamine salt)

Multi-purpose weedkiller kills annual and deep rooted perennial weeds. It is broken down by soil micro-organisms. Gel formulation and dispenser design ideal for flower beds and pots, weeds in lawns and other hard to spray areas.

Keep children and pets away from treated areas until gel has dried

## ROUNDUP GEL Ready To Use Weedkiller

Multi-purpose weedkiller kills annual and deep rooted perennial weeds, including couch, kikuyu, dandelion, paspalum and oxalis. Roundup GEL only works inside the weed. It is inactive in the soil.

## INSTRUCTIONS FOR USE

- **TO OPEN** : Squeeze the 2 lips at the side of the bottle and lift the cap. Remove foil seal.
- **AFTER USE** : Place the cap back on the bottle and press to snap onto the bottle.

## HOW TO USE

- Push/click the button to release the gel.
- Touch or wipe the leaf surface. No need to be uniformly applied on the whole leaf surface.
- Before first use, prime the GEL bottle by pressing the blue button around 20 times until GEL appears at the top of the bottle.

## WHEN TO USE

- Works best when plants and weeds are growing vigorously.
- Repeat application if necessary, should new growth appear.
- Rain within 6 hours of application reduces effectiveness and repeat treatment may be necessary.
- Weeds may be removed & / or planting may occur in treated areas 7 days after treatment.

## WHERE TO USE

Roundup Gel controls most weeds around the garden with a single application, e.g. on paths, driveways, rockeries and along fences. It is ideal for treatment of weeds in flower beds and pots, in lawns and other hard to spray areas.

**NOT TO BE USED FOR ANY PURPOSE OR IN ANY MANNER,  
CONTRARY TO THIS LABEL UNLESS AUTHORIZED.**

DO NOT APPLY ON OR AROUND FOOD OR ANIMAL FEED CROPS.

**CAUTION:** DO NOT allow pets and children to enter the treated areas until the gel has dried. DO NOT allow gel to contact plants you do not want killed. If applied, cut off leaves or wash with water immediately to avoid injury. DO NOT allow container or gel to get into drains, sewers, streams or ponds.

**STORAGE AND DISPOSAL:** Store in the closed, original container in a cool, dry place out of reach of children. DO NOT store in direct sunlight. Dispose of empty container by wrapping in a paper, placing in a plastic bag and putting in the garbage.

**SAFETY DIRECTIONS:** Avoid contact with eyes and skin. Wash hands after use. FOR EMERGENCIES ONLY CALL NZ 0800 734 607.

**FIRST AID:** If poisoning occurs, contact a doctor or **NZ Poisons Information Centre: 0800 764 766 (24 HOURS)**.
